

same became in default, unless it is reduced to a judgment and duly recorded among the records of the office of the Clerk of St. Mary's County. Said benefit charge shall be payable at the office of the Commissioners of Leonardtown immediately upon being levied, and shall be in default after 60 days from that date; and said levy, and any judgment obtained as a result of the default of the payment thereof, shall bear interest at the rate of 1 per cent a month and after the time said levy is in default.

SEC. 7. *And be it further enacted,* That said Commissioners of Leonardtown shall provide for each and every property abutting upon a street or right of way in which, under this Act, a water main is laid, a water connection which shall be extended as required, from the water main to the property line of the abutting lot, said connection to be constructed by, and at the sole expense of the Commissioners of Leonardtown.

SEC. 8. *And be it further enacted,* That before any plumbing, water works, construction is done in any building, or upon any private property, within the corporate limits of the town of Leonardtown, the person, firm or corporation doing the same shall first obtain a permit from said Commissioners of Leonardtown and pay therefor such reasonable sum as the Commissioners of Leonardtown may prescribe. Such work shall be done under and pursuant to such rules, regulations and requirements as the Commissioners of Leonardtown may from time to time formulate, and subject to such inspection as may be deemed necessary. No connection of any kind shall be made with any water main, constructed or maintained by said Commissioners of Leonardtown, without a permit and under such conditions as said Commissioners of Leonardtown may authorize. Said Commissioners of Leonardtown shall have the right of entry at reasonable hours to all buildings and premises having any connection with the water supply system under its jurisdiction, and may order and require such changes in all water supply connections as they may deem necessary to eliminate improper use of water. In order to prevent waste of water, said Commissioners of Leonardtown shall have the right of entry at reasonable hours to all buildings or premises having any connection with the water supply under its jurisdiction, and may order and require such changes in all plumbing, water works or water connections as it may deem necessary to eliminate leakage or loss of
