This, the first of an Annual Directory for the City of Annapolis, which has long been needed, will be issued yearly with all complete changes and additions. The time and labor expended in the publication of a City Directory is hardly believable by the general public and it is hoped that any errors or omissions will be charitably received. We take this occasion to thank the merchants of the city for their liberal patronage of advertising space, without which support the Directory could not be published.

GOULD and HALLERON.

Names appearing in **BOLD FACE** type are those of Advertisers or Subscribers to the Directory. Names preceded by a * are those of colored persons or firms.
