

said County, of such width, height and structure as in their discretion said Commissioners may deem necessary and subject to all the provisions of the laws of the United States regulating the construction of bridges over navigable waters; the said bridge to be located at such place as the said County Commissioners in their discretion may determine.

SEC. 2. *And be it enacted*, That the consent of the County Commissioners of Somerset County required by the terms of Section 1 of this Act to the construction of the bridge shall be given by formal resolution duly passed at a regular meeting of said County Commissioners, such resolution to set forth such width, height and structure for such bridge as the said County Commissioners may deem necessary.

SEC. 3. *And be it enacted*, That if consent shall be given by the County Commissioners of Somerset County to the construction of the bridge referred to in this Act in the manner required by the terms of this Act, it shall not be necessary for said Commissioners or the Edward W. McCready Memorial Hospital to follow the procedure required by Sections 20 to 35 inclusive, of Article 25 of the Annotated Code of Maryland.

SEC. 4. *And be it enacted*, That this Act shall take effect from the first day of June 1922.

Approved April 13th, 1922.

---

## CHAPTER 161.

AN ACT to authorize and empower the County Commissioners of Somerset County to include in the County levy for the year 1922, such sums of money as may be due various persons and corporations for work done and materials furnished for the repairs, maintenance and improvements of the county roads of Somerset County.

WHEREAS, Section 227 of Chapter 260 of the Acts of the General Assembly of Maryland, of 1916, prohibits the County Commissioners of Somerset County from levying for repairs, maintenance and improvements of the County road of Somerset County more than twenty-five cents on the one hundred dollars; and whereas owing to the increased cost of labor and materials furnished on said roads during the last five years.
