FIRST PREMIUM GRAND AND SQUARE

PIANO FORTES

Knabe, Gaehle & Co.

MANUFACTURERS,

4, 6, 8 and 9 Eutaw St., opposite Eutaw House,

Would respectfully invite public attention, and particularly those in want of a Superior Piano Forte at a moderate price, to the extensive assortment constantly on sale at their Warerooms. Our establishment is now the most extensive South, numbering over one hundred workmen, with a well selected stock of seasoned materials, from which we are manufacturing Piano Fortes combining the most valuable improvements known. Our Iron Frame Piano Fortes, for which we have received First Premiums, for three successive years, (from the Maryland Institute) over those of Northern make, are particularly worthy of attention, being so arranged as to secure great additional strength, without effecting the Tone, for which our instruments have been so highly recommended by the best professors and amateurs throughout the country. A guarantee for five years will be given, with each Instrument sold by us of our make, with privilege of exchange at any time within six months from day of sale, if not perfectly satisfactory.

Carhart & Needham's Patent MELODEONS constantly on hand, an article we can recommend. Pianos received in exchange.

TUNING ATTENDED TO.
