

FAIRBANK'S PATENT SCALES.

SPEAR, WESTON & CO.

No. 37 South Charles Street

BALTIMORE, R

Having purchased the EXCLUSIVE RIGHT to sell

FAIRBANK'S PATENT

SCALES

In the SOUTHERN STATES, are prepared to execute orders for any description or size, from the Apothecary's Scale, registering 1 dwt., to the Weighlock or Canal Scale, of 500 tons capacity.

The universal accuracy of these Scales has led to their adoption by the General Government as the STANDARD. In a recent suit before the Court of Common Pleas of Baltimore City, the learned Judge declared in open court, *That Fairbank's Scales being the standard, their accuracy being determined beyond all question, that all legal issues must be decided in their favor.*

SPEAR, WESTON & CO. HAVE ALSO THE AGENCIES FOR

SALAMANDER SAFES AND IRON CHESTS,

OF EVANS & WATSON'S celebrated manufacture; and HUSE'S WATER METER, one of the most valuable inventions of the age, intended for measuring the FLOW OF WATER, and at the same time affording an efficient and economical MOTIVE POWER.
