

accrued interest, and provided further that said County Commissioners, in their discretion shall have the right to reject any and all bids.

SEC. 5. *And be it further enacted*, That the actual cash proceeds of the sale of said bonds shall be used exclusively for the following purposes, to wit:

(1) For the payment of the cost of the engraving or printing of said bonds, and for the payment of the cost of the advertising authorized by this Act, and all other incidental expenses connected with the issuance of said bonds.

(2) The remainder of the proceeds of the sale of said bonds shall be paid over to the Howard County School Building Commission, as created by this Act, and shall be used, expended and applied by said Commission for the erection and equipment of a high school building at Elkridge, and for the repair of the other school buildings now owned by Howard County.

SEC. 6. *And be it further enacted*, That the said School Building Commission shall award the contract or contracts for the erection of said new high school building at Elkridge, provided for in this Act, and equipping the same with heating plant, lighting and water fixtures, to the lowest responsible bidder or bidders therefor, respectively, after the said Commission shall have advertised for bids therefor, provided said Commission shall have the right to reject any or all bids. The said School Building Commission shall require the successful bidder or bidders to whom said contracts, or any of them, are awarded, to make a contract in writing for the faithful performance of his work, and said contractor or contractors shall agree in said contract, to pay all labor employed by him or them, on such building, and for all materials used in the construction and equipping of the same, and shall give bond acceptable to said Commission, for the faithful performance of his or their contract. The said School Building Commission are hereby given full power and authority to employ an architect or architects, and to do all manner of things in connection with the construction and equipping of said building, as may be necessary. The repairing of the school buildings now owned by Howard County may be done by contract or by day labor, as said Commission may determine, and said Commission shall not be under any obligation to advertise for bids for the doing of said work, but may use its discretion in having the same done in the manner which it deems most advisable.
