UNCLAIMED DEPOSITS.

Chapter 578, Senate Bill 450, provides that unclaimed deposits in banking institutions shall be paid into the State Emergency Relief Fund.

I have been informed that the procedure required to secure these deposits is too expensive in proportion to the small amount which would be received. I have, therefore, vetoed the bill.

UNDERTAKERS.

Chapter 571, Senate Bill 127, relates to the educational requirements and registration of apprentices of undertakers.

There seems to me to be no good reason for this legislation and I have, therefore, vetoed the bill.

VIENNA.

Chapter 560, House Bill 471, extends the boundaries of the town of Vienna and as the bill makes no provision for a referendum vote, I have vetoed it.

WAR VETERANS.

Chapter 411, House Bill 541, provides for the making of a record of the deaths and burial of war veterans and for locating the burial places of such veterans.

As there seems to be no necessity for this legislation, I have vetoed the bill.

WASHINGTON COUNTY HOSPITAL ASSOCIATION.

Chapter 170, House Bill 74, amends the Act passed at the 1933 Special Session, by restoring the said Association to its original status.

I see no reason for this change and have, therefore, vetoed the bill.

WICOMICO COUNTY COMMISSIONERS.

Chapter 64, House Bill 236, provides for dividing the County into five Commissioner Districts, with one Commissioner from each District.

The Attorney-General has advised me that, in his opinion, this Act would be in violation of the Constitutional provisions relating to the election of County Commissioners, and I have, therefore, vetoed this bill.
