

George's-Montgomery County Boundary Line; thence northerly and southerly along the said Maryland-District of Columbia Boundary Lines, in Montgomery County, to the place of beginning.

There is hereby added to the District all of the area within the corporate limits of the Town of Greenbelt as defined in Chapter 532 of the Acts of the General Assembly of Maryland, Regular Session, 1937, which is not already included in the area above described in this section.

SEC. 2. *And be it further enacted*, That for the purpose of carrying on the provisions of this Act, said District shall be under the jurisdiction of The Maryland-National Capital Park and Planning Commission created by Chapter 448, Laws of Maryland of 1927, and hereinafter for abbreviation referred to in this Act as "the Commission" or "Commission." In addition to the powers and functions granted to it in all sections of said Chapter 448, Laws of Maryland 1927 and Amendments thereof which are not repealed in this Act and in addition to all powers granted to it in other laws and statutes, the Commission shall have the right to exercise all powers and functions granted to it in this Act and to do any and all other corporate acts for the purpose of carrying out the provisions of this Act. The Commission may appoint and discharge at pleasure and fix the compensation of or may contract for the services of such engineering, planning, administrative, auditing, clerical or other force as from time to time in its judgment may be necessary to the administration of this Act and may require any employee to give bond with surety approved by and in a sum to be fixed by the Commission.

SEC. 3. *And be it further enacted*, That the Commission is hereby authorized and directed to hold meetings, conduct hearings and perform any or all of the duties vested in it by this Act at whichever of its offices shall in the judgment of the Commission best suit the convenience of the public in each case.

SEC. 4. *And be it further enacted*, That the Commission is hereby authorized and empowered to make and adopt and, from time to time, amend, extend, or add to a general plan for the physical development of the District. Such plan, including maps, plats, charts and descriptive matter, shall show the Commission's recommendations for the development of the District, which may include, amongst other things, such matters as the location, arrangement, character and extent of roads, waterways, waterfronts, beaches, docks and wharves, parks, forests, squares, aviation fields, airways, subways, wild-
