

sustaining or reversing the action of the Board as to it may seem just and proper.

20. Violations and Penalties. Any person who shall hold themselves out as a professional engineer or land surveyor in this State without being registered in accordance with the provisions of this Article, or any person presenting or attempting to use as his own the certificate of registration or the seal of another, or any person who shall give any false or forged evidence of any kind to the Board or to any member thereof in obtaining a certificate of registration, or any person who shall falsely impersonate any other registrant of like or different name, or any person who shall attempt to use a revoked certificate of registration, or any person who shall violate any of the provisions of this Article, shall be guilty of a misdemeanor, and shall, upon conviction, be sentenced to pay a fine of not less than one hundred dollars (\$100.00), nor more than five hundred dollars (\$500.00), or suffer imprisonment for a period not exceeding three months, or both.

The Attorney General of the State or his assistant shall act as legal advisor of the Board and render such legal assistance as may be necessary in carrying out the provisions of this Article.

21. Saving Clause. This Article shall not be construed to prevent or to affect:

(a) Other Professions or Trades. The practice of any other legally recognized profession or trade; or

(b) Non-Residents. The practice of a person not a resident of and having no established place of business in this State, practicing or offering to practice herein the profession of engineering or land surveying, when such practice does not exceed in the aggregate more than thirty days in any calendar year; provided, such person is legally qualified by registration to practice the said profession in his own State or Country in which the requirements and qualifications for obtaining a certificate of registration are not lower than those specified in this Article; or

(c) Recent Arrivals in State. The practice of a person not a resident of and having no established place of business in this State, or who has recently become a resident thereof, practicing or offering to practice herein for more than thirty days in any calendar year the profession of engineering or land surveying, if he shall have filed with the Board an application for a certificate of registration and shall have paid the fee required by this Article; provided, that such a person is legally qualified by registration to practice said profession in his own State or Country
