All license fees collected by the Commission shall be paid into the Treasury of the State, and credited to the Conservation Fund. Every licensee shall exhibit his license whenever demanded by any duly authorized officer.

All license fees collected by the Conservation Commission under the provisions of this Act shall be used to establish and maintain a hatchery or hatcheries and rearing ponds for shad and herring or any other species of fish selected by the Commission at such place or places in this State as the Commission may, in its discretion, deem best.

63C. The Conservation Commission is authorized to revoke, or suspend for periods of not less than ten days, any license issued by it as aforesaid, after due hearing upon not less than ten days' notice to the licensee, upon the following grounds:

(1) The making of any false statement in the application for such license; (2) the conviction of the licensee or his agents of any violation of the provisions of this Article; (3) any violation of the regulations of the Conservation Commission; (4) failure to make the reports prescribed by law or by the Conservation Commission pursuant to law.

It shall be unlawful for any person to operate any net during the period within which his license is suspended or revoked.

63D. Any license to operate pound nets, haul seines, gill nets and fyke or hoop nets issued under this subtitle may be transferred whenever the owner of the nets, boats, gear and other equipment necessary for their operation, or the personal representative of such owner, shall sell and convey the same by bill of sale for a bona fide consideration to any person who is eligible under the provisions of Section 27 of this Article. Such transfer shall be made only upon surrender of the outstanding license and the execution of an
