

in care of general delivery at the post office serving the community in which said premises lie; the said delivering or mailing of such order to be accomplished within five days from the date of the issuance of such order. And in the event it is necessary to mail a copy of such order as aforesaid, the officer mailing the same shall also, within five days from the date of issuance of such order, post a true copy thereof upon said premises in the manner above provided for notice to occupants.

Provided, that every such order and copy thereof shall contain a notice that compliance therewith shall be required within a period of thirty days from the date of issuance thereof, and also that any person desiring to contest the validity of any such order may enter an appeal from said order to a Court of competent jurisdiction in the county where said premises are located, praying a review of such order, said appeal to be filed before the expiration of said thirty-day period.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1941.

Approved May 2, 1941.

CHAPTER 920.

(House Bill 901)

AN ACT to repeal and re-enact with amendments Sections 150 and 151, and to repeal Section 157 of Article 89 of the Annotated Code of Maryland (1939 Edition), title "Statistics and Information", sub-title "Title VIII, Weights and Measures", requiring that all coal miners in Maryland shall be paid by weight.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Sections 150 and 151 of Article 89 of the Annotated Code of Maryland (1939 Edition), title "Statistics and Information", sub-title "Title VIII—Weights and Measures", be and the same are hereby repealed and re-enacted with amendments so as to read as follows:

150. In all coal mines in this State, the miners shall be paid by weight and the operator of every coal mine shall provide and hereafter maintain suitable and accurate scales, which scales shall be examined, tested, and kept in thorough repair by a competent person employed by such operator, at
