

NO. 7.

(House Joint Resolution 7)

Joint Resolution providing for flood lighting the dome of the State House.

WHEREAS, the dome of the State House has long been a symbol of the ideals, beauty and dignity of the Free State; and

WHEREAS, said dome has been a source of pride to the citizens of Maryland; and

WHEREAS, visitors to the State have been favorably impressed by the symbolic beauty of said dome; and

WHEREAS, the publicity value of said dome as an attraction and symbol of the State would be enhanced if the dome were visible not only in the day time, but also at night; therefore be it

Resolved by the General Assembly of Maryland, That the dome of the State House be flood lighted for at least four hours every night with a light at least sufficient to make it visible from the channel of the Chesapeake Bay; and be it further

Resolved, That the Governor be directed to include an appropriation for such flood lighting in the Budget to be submitted to the General Assembly in 1943.

Approved May 29, 1941.

NO. 8.

(House Joint Resolution 15)

A Joint Resolution authorizing and directing the State Roads Commission to make a survey of traffic conditions and report as to the desirability of constructing a bridge over the Patuxent River, from Holland Point, in Calvert County, to Benedict, in Charles County.

WHEREAS, a bridge over the Patuxent River, from Holland Point, in Calvert County, to Benedict, in Charles County, would be a great convenience to a large number of people; and
