

to weigh and sample, or Three Dollars (\$3.00) for a license to test and sample. All fees of every kind and character to be paid under the provisions of Sections 509 to 522 of this sub-title shall be duly accounted for by the University of Maryland to the State Comptroller, and shall be used by the said University in enforcing the provisions of said Sections, and shall be included in the State Budget to be submitted to the General Assembly at each regular session.

516. No percentage of butter fat ascertained from a sample that has been so treated as to cause it to test lower or higher than the test of the milk or cream from which it was taken shall be used as a basis of payment for such milk or cream.

517. No person shall use as a basis of payment to any producer of milk or cream any weight, measure, or butter fat test thereof other than the correct such weight, measure, or butter fat test.

518. Every person required by Section 509 of this sub-title to have a license shall, at each and every time of payment to a producer or his duly accredited representative or association of producers, for milk or cream purchased or received from such producer, give to each such producer a statement showing the quantity of milk and/or cream delivered daily by such producer to such person during the period for which such payment is made, and where such payment is made on the basis of butter fat content, such statement shall also show the average percentage of such content, and such statement shall always be set forth in the terms of the unit used as the basis for the determination of the amount of such payment. A record of such payments shall be kept on file in the plant where such milk or cream is received for a period of twelve (12) months from such date of payment, unless permission in writing is granted by the University of Maryland to keep such record at some other designated place; provided, however, that any person may, in lieu of such statement, give to any producer at the time of delivery of milk and/or cream a daily written statement of the quantity of milk and/or cream so delivered.

519. The University of Maryland is hereby authorized to enter the premises of any person required by Section 509 of this sub-title to have a permit, at any and all reasonable hours, to examine the weighing, measuring, sampling, and testing apparatus, to take samples of milk and/or cream, to check weights, measures, and butter fat tests, and to inspect, audit and copy all books, papers, records or documents bearing thereon. All information furnished to said University by or
