

Girls, Cheltenham School for Boys, and the Maryland Training School for Colored Girls, shall exercise their corporate functions under the supervision, direction and control of the Department of Public Welfare, and through the Bureau of Child Welfare therein established. Said Department shall by rules and regulations establish standards of care, policies of admission, transfer and discharge, and from time to time order such changes in the policies, conduct or management of said institutions as may seem desirable. Said Department shall develop a program within each training school, including provision for after-care supervision. Each of said institutions shall nevertheless remain under the general management of their respective Board of Managers, subject to the limitations herein set forth.

18. From and after the effective date of this Act, the Boards of Managers of said institutions shall continue in office until the expiration of their respective terms, but no vacancy shall be filled until the number of members shall be reduced to seven. Thereafter, the Governor shall annually appoint members for staggered terms of three years, so arranged that the terms of at least two members shall expire on June 1 of each year. Members shall be eligible for reappointment to an additional term or terms, but not immediately succeeding the second term.

19. The Board of Managers of each of said institutions shall advise with the Superintendent thereof and the State Department of Public Welfare in matters pertaining to the institution. The Board shall hold meetings as often as necessary, not less than four times a year, and shall participate in interpreting the objectives of such institution to the public, and in planning for the development and utilization of all available resources for the promotion of the needs of the institution. It shall be the duty of the Superintendent to prepare budget estimates, and, after approval of his Board, to transmit the same to the State Department of Public Welfare for its approval and submission to the Governor. No member of a Board, nor any of its employees, shall be directly or indirectly interested in any contract for building, repairing, equipping or furnishing material or supplies of any kind to, or be financially interested in any contract with, any of said institutions. The members of said Boards shall receive no salary for their services, but shall be paid for necessary expenses incident to the performance of their duties.
