

within or without the Sanitary District. For the purpose of acquiring a site for an incinerator or incinerators or other refuse disposal plants, and for the purpose of securing land for the disposition of garbage, trash, or junk, the Commission shall have the same right to condemn land as it now has under existing law for the condemnation of land for the construction of its water and sewer lines, which right shall extend to any needed land beyond the boundaries of the Sanitary District.

For the purpose of defraying the cost of such construction, including the necessary equipment and accessories, the Commission is authorized to issue its bonds or notes under its hand and seal, in a sum not to exceed \$200,000. with interest not to exceed 5% per annum, maturing serially, in such amounts annually as may be fixed by said Commission, but all payable within a period of twenty years from date, and said bonds or notes shall be sold as the General Construction bonds of said Commission are now sold; and for the purpose of paying interest on said bonds and principal of the same as they become due, said Commission is authorized to make and fix a reasonable schedule of charges for the reception and disposal of all garbage, trash, rubbish, refuse or junk. The receipts therefrom, including the permit fees heretofore authorized, after the payment of the costs of operation shall be applied toward the payment of principal and interest, and in the event that the net proceeds of said fees and charges are not enough to meet the carrying charges of said bonds or notes, said Commission is authorized to pay the difference out of the general water receipts provided for in Chapter 122 of the Acts of 1918; provided, however, that in the event part of the said water receipts is used for the carrying charges of said bonds or notes, the Commission shall adjust the water rates, either consumption charge or service charge, in its discretion, on all property served by the Commission to the extent necessary to meet said adjustment, which charges may be changed from year to year under the provisions of Chapter 122 of the Acts of 1918, as amended.

The Commission may exempt from the operation of this sub-title, with the approval of the County Health Officer, any person, firm or institution residing in the above defined boundaries, engaged in feeding garbage to hogs.

Any person violating the provision of this section shall be guilty of a misdemeanor and upon conviction thereof, shall be fined not less than five nor more than fifty dollars, or by imprisonment for not more than 30 days, or both, in the discretion of the Court.

1007B. It shall be the duty of the Washington Suburban Sanitary Commission to construct, as soon as practicable, on some convenient site to be selected by it, an incinerator of a
