

modern type for the disposal of garbage, trash, rubbish, refuse or junk in Prince George's County.

For the purpose of defraying the cost of such construction, including the necessary equipment and accessories, the Commission is authorized to issue its bonds or notes, under its hand and seal, in a sum not to exceed \$50,000.00 with interest not to exceed 5% per annum, maturing serially, in such amounts annually as may be fixed by said Commission, but all payable within a period of twenty years from date, and said bonds or notes shall be sold as the General Construction bonds of said Commission are now sold; and for the purpose of paying interest on said bonds and principal of the same as they become due, said Commission is authorized to make and fix a reasonable schedule of charges for the reception and disposal of all garbage, trash, rubbish, refuse or junk. The receipts therefrom including the permit fees heretofore authorized, shall, after payment for the operation of said plant, be applied toward the payment of principal and interest, and in the event that the net proceeds of said fees and charges are not sufficient to meet the carrying charges of said bonds or notes, said Commission is authorized to pay the difference out of the general water receipts provided for in Chapter 122, Acts of 1918, provided, however, that in the event part of the said water receipts is used for the carrying charges of said bonds or notes, the Commission shall adjust the water rates, either consumption charge or service charge, in its discretion, on all property served by the Commission to the extent necessary to meet said deduction, which charges may be changed from year to year under the provisions of Chapter 122 of the Acts of 1918. It being the purpose of this Act to establish uniform fees and a uniform method of retiring bonds as to any one or more incinerators heretofore erected, or to be built by said Commission within the Sanitary District. The water rates throughout the district shall be uniformly adjusted, when and if an incinerator is erected in Montgomery County for the purpose of retiring the bonds representing the cost of such an incinerator or incinerators, and the cost of the erection of the incinerator heretofore built in Prince George's County.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1943.

Approved May 6, 1943.
