

highway under normal atmospheric conditions unless a different time or condition is expressly stated.

214. HEAD LAMPS ON MOTOR VEHICLES. (a) Every motor vehicle other than a motorcycle shall be equipped with at least two head lamps and at least one on each side of the front of the motor vehicle, which head lamps shall comply with the requirements and limitations set forth in this Article.

(b) Every motorcycle shall be equipped with at least one and not more than two head lamps which shall comply with the requirements and limitations of this Article.

215. REAR LAMPS AND REFLECTORS. (a) Every motor vehicle and every vehicle which is being drawn at the end of a train of vehicles shall be equipped with a rear lamp, exhibiting a red light plainly visible from a distance of 300 feet to the rear.

(b) Either such rear lamp or a separate lamp shall be so constructed and placed as to illuminate with a white light the rear registration plate and render it clearly legible from a distance of 25 feet to the rear. When the rear license plate is illuminated by an electric lamp other than the required rear lamp, said two lamps shall be turned on or off only by the same switch that controls the head lamps.

(c) Every vehicle, trailer, or semi-trailer, including devices moved by muscular power, hereafter operated on a highway shall carry at the rear, either as a part of the rear lamp or separately, a red reflector meeting the requirements of this section.

(d) Whenever a red reflector is required or permitted to be used in substitution of lamps upon a vehicle under any of the provisions of this Article, such reflector shall be mounted upon the vehicle at a height not to exceed 42 inches nor less than 24 inches above the ground upon which the vehicle stands, and every such reflector shall be so designed and maintained as to be visible at night from all distances within 300 feet to 50 feet from such vehicle when directly in front of a motor vehicle displaying lawfully lighted head lamps as required by this Article.

216. CLEARANCE, IDENTIFICATION, AND SIDE MARKER LAMPS. (a) Within 90 days after the effective date of this Article every motor vehicle or motordrawn vehicle designed or used for the transportation of property or for the transportation of passengers for compensation, except buses operated entirely within municipalities or their environs, when their in-
