

such other data as it deems appropriate. Thereupon, the old supervisors of each district to be divided, if any, shall decide the proportion and manner of division of its property, assets and rights, exclusive, however, of any executory contracts, among the new districts into which the old district is to be divided, taking into consideration the nature and source of such property, assets and rights, the comparative sizes of the new divisions, the number of land-occupiers of each such division, and general considerations of fairness in making the allocation. The supervisors shall notify the Committee and the new supervisors who are to receive any of said property, rights and assets, of their decision; and the said property, assets, and rights shall then be divided and transferred accordingly. If no division of a district is to be made, the supervisors shall simply transfer the said assets, property and rights of such district to the new supervisors of the combined district of which it will comprise a part.

If the supervisors of a district to be divided are unable to agree on the division of the said property, assets, and rights to be made, within sixty (60) days after the certification of determination from the Committee, they shall notify the Committee, and the Committee shall, after a hearing of the said supervisors and any other persons within the district who may be, in the Committee's judgment, reasonably entitled to be heard, decide and determine finally the proportions and manner of the division, and shall certify its decision to said supervisors, who shall proceed forthwith to divide the said property, assets, and rights accordingly.

E. Upon receiving the said property, assets, and rights to which they shall be entitled under the division and/or combination decided upon in the above manner, the supervisors of each resulting district shall file an application, duly verified, with the Secretary of State, for the completion of the division and/or combination, which application shall set forth (and such application need contain no detail other than the mere recitals) that a petition for the division and/or combination of the district was filed with the State Soil Conservation Committee pursuant to the provisions of this sub-title, and that the proceedings specified in this sub-title were taken pursuant to such petition; that the application is being filed in order to complete the division and/or combination of the old district or districts as governmental sub-divisions and public bodies, corporate and politic, under this sub-title; and that they have been appointed and elected, respectively, as supervisors; and the application shall also set forth with respect to the resulting district or districts the matters required in sub-section F (2), (3), (4) and (5) of Section 49 of this sub-title. Said applica-
