

791. The said County Commissioners are hereby authorized and empowered to establish and maintain as a part of said Police Force a Department of Criminal Identification and to place in operation any and all modern facilities, instrumentalities and agencies for the detection and identification of criminals. The person appointed as the head of said department shall be included as one of the Montgomery County Police except that he may be selected without regard to place of residence, the list prepared by the Police Civil Service Commissioner or the other qualification regarding police officers; provided, that such person be a qualified fingerprint expert, possess a knowledge of ballistics, have experience in photography, the collection, assemblage and preservation of evidence for use in criminal cases, and otherwise satisfy the Board of Commissioners that he is qualified in scientific crime detection. In addition to conducting the said department said officer shall instruct such other officers as the Chief of Police may designate in methods of scientific crime detection. The head of said department shall be known as Detective Captain and shall receive the sum of Three Thousand (\$3,000.00) Dollars per annum, payable in equally monthly installments. No salaries or compensation shall be paid to any person or persons engaged in the work of said department, except to members of the Montgomery County Police Force as herein authorized; but nothing herein contained shall prevent said County Commissioners from authorizing the payment of any vouchers approved by the State's Attorney for Montgomery County for technical or expert assistance or witnesses in connection with the administration of his office or the presentation of criminal cases under his direction. The Board of County Commissioners are hereby authorized and empowered to establish a Women's Bureau for the Montgomery County Police Force and to employ women on the same basis for this Bureau as patrolmen are authorized under Section 782 of this sub-title, and the Board of County Commissioners are further authorized and empowered to designate the duties and functions of the Women's Bureau of the Montgomery County Police Force, and they are further authorized to establish a modern two-way radio police communication system for Montgomery County.

795. Whenever any member of the Montgomery County Police has served on the Montgomery County Police Force for twenty-five (25) years, or shall have reached the age of sixty (60) years, or shall have become incapacitated either by accident, disease or disability contracted in the line of duty so as to be unable to perform his duties and shall make written application to the Police Trial Board of Montgomery County
