

12. (General Requirements for Registration.) The following shall be considered as minimum evidence satisfactory to the Board that the applicant is qualified for registration as a professional engineer, or land surveyor, respectively, to wit:

(1) As a professional engineer:

a. (Engineers—Graduation Plus Experience.) Graduation from a school or college whose engineering curriculum is approved by the Board as of satisfactory standing; and a specific record of an additional four years or more of experience in engineering work of a character satisfactory to the Board, and indicating that the applicant is competent to practice professional engineering (in counting years of experience, the Board at its discretion may give credit, not in excess of one year, for satisfactory study in engineering), provided that in a case where the evidence presented in the application does not appear to the Board conclusive nor warranting the issuing of a certificate of registration, the applicant may be required to present further evidence for the consideration of the Board, and may also be required to pass an oral or written examination or both, as the Board may determine; or

b. (Engineers—Examination Plus Experience.) Successfully passing a written or oral or written and oral examination designed to show knowledge and skill approximating that attained through graduation from an approved four-year engineering curriculum; and a specific record of eight years or more of experience in engineering work of a character satisfactory to the Board and indicating that the applicant is competent to practice professional engineering; or

c. (Engineers of Long Established Practice.) A specific record of twelve years or more of lawful practice in professional engineering work of a character satisfactory to the Board and indicating that the applicant is qualified to design or to supervise construction of engineering works and provided applicant is not less than thirty-five years of age; and provided further that in the case where the evidence presented in the application does not appear to the Board conclusive nor warranting the issuing of a certificate of registration, the applicant may be required to present further evidence for the consideration of the Board and may also be required to pass an oral written examination or both, as the Board may determine.

15. (Certificates—Seals.) The Board shall issue a certificate of registration upon payment of registration fee as provided for in this Article, to any applicant who, in the opinion of the Board, has satisfactorily met all the requirements of
