

CITY OF CUMBERLAND

INCORPORATION

1. INCORPORATION. The inhabitants of the City of Cumberland, in Allegany County, are a corporation by the name of the Mayor and City Council of Cumberland, and by that name may sue and be sued, may have and use a common seal, which may be altered at pleasure, and may purchase and hold real, personal or mixed property, or dispose of the same for the benefit of said City. References throughout this Article to "the City" are to the City of Cumberland in its corporate character.

CORPORATE LIMITS

2. CORPORATE LIMITS. The corporate limits of the City of Cumberland shall be as follows: Beginning at a concrete monument standing on the Maryland Bank of the North Branch of the Potomac River about 475 feet above the center of Evitts Creek, where same empties into said River, said beginning also standing South 44 degrees 27 minutes East 382.9 feet from the Southeasterly corner of a Brick Building recently built by the Baltimore and Ohio Railroad Company to be used as a filtering and pumping station; and running thence due North 19,052.6 feet to a concrete monument standing approximately on the division line between the Joseph H. Lippold and the John C. Schlund properties which are situated along the Bedford Road, said monument standing North 2 degrees 36 minutes East 266.8 feet from the Southeasterly corner of the John C. Schlund Brick House, facing the Bedford Road; thence due West 5,341.8 feet to a concrete monument standing on the property of Conrad A. L. Miller, said monument being about 26 feet in a Southwesterly direction from a division fence between the property of the said Miller and that of George D. Martin, said monument also standing North 81 degrees 23 minutes West 1,198.2 feet from Southwest Corner of a rear stone wing of the house now occupied and owned by said Martin (formerly owned by James A. Milholland) and standing West of the Little Valley Road; thence South 45 degrees 00 minutes West 16,494 feet to a concrete monument standing near the top of Haystack Mountain, said monument being South 79 degrees 40 minutes West from the most Westerly corner of the Stone House recently built by Perry Warfield; thence South 43 degrees 59 minutes East 2,868.1 feet to a concrete monument standing 10 feet in a Southeasterly direction from the edge of the concrete pavement on the McMullen Highway, and also
