Watkins in Referendum Area No. 3; who shall act as a Board of Election Supervisors and Judges of Election for the respective areas, and shall have the same duties, powers, and authority as is provided for the judges of election in the Town of Landover Hills. To be eligible to register as a voter in the referendum election, a person must be an adult citizen of the United States, and must have resided in the Referendum Area for a period of seven days before the date of the election.

Registration for the referendum shall entitle all voters so registered, in Areas voting in favor of annexation, to remain on the books as permanently registered voters of the Town, and to vote in any subsequent Town election.

Each Area Committee created shall provide registration books, booths, ballot boxes, tally sheets, printed ballots, and the place of registration and election, and shall, not later than April 6, 1949, post in not less than five conspicuous places in its Area a typewritten or printed notice notifying all residents of the Area that a referendum election will be held on the date, between the hours and at the place designated therein, to determine whether or not this Act shall become effective as to said Area, and also notifying them of the qualifications for voters, and that in order to vote in said election it will be necessary to register before the Committee, acting as Judges of Election, on April 11, 1949, at the place and between the hours designated in said notice.

The Committee shall sit for registration of voters on April 11, 1949, and shall have power to administer oaths to all applicants for registration.

Ballots to be used at the referendum election shall have printed on one line "For Annexation to Town of Landover Hills" and on the second line "Against Annexation to Town of Landover Hills", with a square opposite each line for the mark of the voter.

Said election shall be conducted, insofar as practicable, as are elections for town officials under the Charter of the Town of Landover Hills, and upon the closing of the polls, the Committee shall canvass the votes and publicly announce the result. A majority vote for annexation in a Referendum Area shall make this Act immediately effective as to that Referendum Area, without regard to the result of the vote in any other Referendum Area.
