

ton Suburban Sanitary Commission; for the construction of parks and sidewalks on property held in the name of Chevy Chase—Section 4 acquired by the Committee in the public interest; for the rebuilding or reconstruction of any existing improvement on any dedicated street, road or lane where the safety of vehicular or pedestrian traffic along such streets, roads, or lanes requires such rebuilding or reconstruction; for the building or rebuilding of curbs on existing improved gutters where such curbs are required to prevent damage to the parking or to private property from water flowing from said gutters; for paying the principal and interest of the bonds, notes, or certificates of indebtedness issued for the improvements authorized in Sections 103 and 104 hereof; for managerial, clerical and other incidental services and expenses, including payment of the premium on the Treasurer's bond; for furnishing police and fire protection and other public services including the removal of ashes, garbage, and other refuse and the disposal thereof; for the employment of a community manager, and a building inspector to enforce the requirements of all deeds and conveyances for property situated in said Community; for enforcing such building, sanitary and other regulations, as said Committee, subject to the approval of the County Council, may prescribe for said Community.

102. Said Citizens Committee of Chevy Chase—Section 4 shall not contract for material or work in a sum exceeding Five Hundred Dollars (\$500.00) without having first submitted the specifications therefor and invited bids for the same, from at least three persons or corporations reserving the right to reject any and all bids received, after which the said Committee may purchase such material or make contracts for such work, and shall award such contract to the lowest responsible bidder, provided, however, that if no satisfactory bid shall be received the Committee may purchase such material or contract for such work in the open market or have such work done by employed labor, or otherwise, as it may deem best; and provided further that said Committee may make contracts for lighting said Chevy Chase—Section 4 for such period as it deems fit but for no longer period than five years at a time; and provided further, that no member of said Citizens Committee shall furnish any supplies of any kind or be interested in any contract in any manner with said Citizens Committee.

103. (a) Said Citizens Committee of Chevy Chase—Section 4 as herein defined is empowered and subject to the conditions hereinafter set forth, to build, construct, rebuild or
