

Tidewater Fisheries be and they are hereby requested to condense from the great amounts of statistical and biological data in their possession the essential facts necessary to show clearly, simply and objectively the present condition of Maryland's tidewater fisheries resources and the best methods for conserving and increasing the supply; and be it further

Resolved, That the several Departments be requested to prepare such educational bulletins in a simple and readable style, designed mainly for assisting the members of the General Assembly and the citizens of Maryland in general in understanding and appreciating the problems involved in the administration of these great natural resources of the State of Maryland; and be it further

Resolved, That the several Departments be requested to complete this work in advance of the 1953 Session of the General Assembly, ~~and to confer as necessary during the progress of such work with the Legislative Council.~~

Approved April 13, 1951.

No. 10

(Senate Joint Resolution 6)

Senate Joint Resolution requesting the Board of Public Works to sell, exchange, or dispose of the State vessel "Potomac".

WHEREAS, the cost of operating and maintaining the State vessel "Potomac" has been financed from funds allocated to the Department of Tidewater Fisheries since 1946; and

WHEREAS, the cost of operating and maintaining the "Potomac", the crew of which includes eighteen salaried men, has increased continuously, and the estimated costs for operation of said "Potomac" for the fiscal year of 1952 is the enormous sum of \$60,955.00; and

WHEREAS, the "Potomac" in the past has proven of very little practical use to the Department of Tidewater Fisheries, either
