

I have concluded that it is more important to resolve such doubt against any possible impairment of the integrity of the Retirement System and its uniformity. I have, therefore, concurred in the recommendation of the Retirement System Trustees that Senate Bill 533 be vetoed.

Respectfully,

Senate Bill No. 561—Zoning, Queen Anne's County

AN ACT to add a new sub-section to Section 21 of Article 66B of the Annotated Code of Maryland (1951 Edition), title "Zoning and Planning", sub-title "Zoning", said new sub-section to be known as Sub-section (h) and to follow immediately after Sub-section (g) thereof, providing that in Queen Anne's County no zoning ordinance hereafter passed shall take effect until it has first been submitted to and approved by a majority of the voters of the municipality therein.

May 9, 1955

Honorable Louis L. Goldstein
President of the Senate
State House
Annapolis, Maryland

Dear Mr. President:

I have today vetoed Senate Bill 561, which would require a referendum vote on any zoning ordinance proposed in Queen Anne's County. Chapter 721 of the Acts of 1955 (House Bill 638), as approved by me, makes a substantially similar provision for both Queen Anne's and Talbot Counties. Senate Bill 561 is therefore unnecessary and its approval would serve only to create possible ambiguity and conflict as to the prevailing law on the subject.

Respectfully yours,

(s) THEODORE R. MCKELDIN,

Governor
