

CHAPTER 345

(House Bill 517)

AN ACT to authorize the Washington Suburban Sanitary Commission to waive the requirements of existing law relative to the guarantee of its securities by the County Council of Montgomery County and the County Commissioners of Prince George's County, at the Commission's option.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the Washington Suburban Sanitary Commission, a public Corporation, at its option, and if in its opinion the application of this Act does not seriously affect the sale of its securities, may waive the required guarantee of the County Council of Montgomery County and the County Commissioners of Prince George's County of its bonds and certain other securities, as now required by law; but this Act shall not be taken to mean that the waiver of the guarantee on any one issue of its bonds or securities shall be construed to be a waiver of the guarantee of all future issues of its bonds or securities. It is the purpose of this Act to permit the Sanitary Commission to waive the present requirement of law as to the guarantee of its bonds and securities by the Council and the Commissioners where money market conditions seem to justify the sale of the securities of the Sanitary District without such guarantee but to require such guarantee where monetary conditions seem to require the guarantee to secure a favorable sale of its securities.

SEC. 2. *And be it further enacted,* That this Act shall take effect on June 1, 1957.

Approved March 25, 1957.
