

House Bill 896 is a local Bill dealing entirely with Baltimore County. The Bill is designed to change the manner of appointing the Chief Clerk, the Constable and other personnel connected with the Peoples Court of Baltimore County.

I have recently received communications from the Baltimore County delegation in the House of Delegates and from the Baltimore County State Senator requesting me to veto this Bill.

Based upon the request of all of the Baltimore County representatives of the General Assembly, I am vetoing this measure and returning the same to you herewith.

Respectfully yours,

(s) J. MILLARD TAWES,

Governor.
