

**House Bill No. 35—State Bonds for Baltimore City Jail**

AN ACT to authorize the creation of a State debt, in the aggregate amount of One Million, Sixty-five Thousand Dollars (\$1,065,000.00), for the purpose of aiding in the construction of a temporary boiler house, a security fence and private dial system, a new boiler house, and the renovation of the main building, together with related demolition work, site work, construction of utility conduits, architects' fees and engineers' fees where applicable, at the Baltimore City Jail, Baltimore, Maryland, and providing generally for the issuance and sale of certificates of indebtedness evidencing such loan.

April 5, 1962.

Honorable Perry O. Wilkinson  
Speaker of the House  
State House  
Annapolis, Maryland

Dear Mr. Speaker:

I am advised that as a result of a Constitutional Amendment that was approved by the voters of Maryland in 1960, I am not required to return to the Legislature the Bills that were passed by the 1962 General Assembly and subsequently vetoed by me.

However, as a matter of courtesy and in an effort to be of as much assistance as possible to you and the members of your Legislative Body, I am making available to you all veto messages that were signed by me following the 1962 Session of the General Assembly.

I have today vetoed House Bill No. 35. This particular Bill was designed to appropriate One Million Sixty-Five Thousand Dollars (\$1,065,000.00) to be used for improvements on the Baltimore City Jail. Senate Bill No. 29 was identical to this Bill and has already been signed by me. Consequently, I deem it unnecessary to place my signature on House Bill No. 35.

With kindest personal regards, I am

Sincerely yours,

(s) J. MILLARD TAWES,  
Governor.
