

ATED, which resolution shall contain a definite description of the boundaries of such drainage area or areas and shall identify each such drainage area by a distinctive name. After the passage of such resolution, the Board of County Commissioners shall cause a plat of the drainage area or areas to be prepared, one copy of which plat shall be filed with the Clerk to the Board of County Commissioners of Anne Arundel County and one shall be indexed and filed among the land records of Anne Arundel County. Upon the filing of said plat, any such drainage area shown on said plat shall be, and the same is hereby designated and constituted for the purpose of this Act to be a separate drainage area and a taxing district for the purpose of imposing the taxes authorized by Section 8A of this Act, and the filing of said plat shall constitute legal notice to the public of such action of the Board of County Commissioners of Anne Arundel County.

4. That if, after holding the hearing as more specifically provided for in Section 3 of this Act, the Board of County Commissioners of Anne Arundel County shall determine that the public health, welfare and safety requires the construction of the storm water or surface water drainage system, or any modification thereof, which was the subject of the said hearing, the Board shall thereupon proceed with such construction. Proposals for the said construction shall first be advertised in two newspapers published in Anne Arundel County having general circulation therein once a week for two successive weeks, such advertisement specifying the date by which the proposals must be submitted, which date must be one on which the Board of County Commissioners of Anne Arundel County regularly meets. The contract for constructing the storm water or surface water drainage system shall be awarded by the Board of County Commissioners of Anne Arundel County, upon the proposals thus submitted in the manner provided by Section [257] 9—61 of the Code of Public Local Laws of Anne Arundel County [.] (1957 Edition).

5. That for the purpose of providing funds for meeting the expenses of the Board of County Commissioners of Anne Arundel County for designing and construction, purchase or acquisition of the storm water or surface water systems provided for by this Act, the Commissioners shall, from time to time, as they deem necessary, issue bonds upon the full faith and credit of Anne Arundel County. Except as hereinafter provided said Commissioners shall offer such bonds only by solicitation or competitive bids therefor at public sale, which offering, except as herein otherwise provided, shall be made in accordance with the provisions of Section [33] 10 of Article 31 of the [Code of Public General Laws of Maryland (1951 Edition).] *Annotated Code of Maryland (1957 Edition)*. The Board of County Commissioners of Anne Arundel County shall, by ordinance or resolution, fix the terms and conditions of the public sale or sales of such bonds and said ordinance or resolution shall adopt suitable forms of notice of such sale or sales which shall briefly outline the terms and conditions thereof in accordance with the provisions of this Act. In lieu of publishing said entire notice of sale, in any instance, said Board of County Commissioners may, if it so elects, in any such ordinance or resolution provide for the publication of a brief summary of any such notice which need not contain all or any of the information called for by said Section [33] 10 of
