

point on the existing boundary of the Washington Suburban Sanitary District, thence in a generally southerly direction with and along the existing boundary of the Washington Suburban Sanitary District to the point of beginning.

(3) All that area in the Gaithersburg, Clarksburg, Damascus and Laytonsville Election Districts of Montgomery County lying within the following described boundaries:

Beginning for the same at a point on the existing boundary of the Washington Suburban Sanitary District, said point being at the intersection of the centerline of the Great Seneca Creek with the southwest right of way line of the Washington National Pike, Interstate Route 70 S, thence in a northwesterly direction with the southwest right of way line of the Washington National Pike, Interstate Route 70 S, to the southeast line of the Germantown-Neelsville Road, Md. Route 118, thence in a southwesterly direction with and along the southeast line of the Germantown-Neelsville Road, Md. Route 118 to a point southwest of, at right angles to and 300 feet distant from the southeasterly extension of the southwest line of the unnamed Road, known as Alternate Md. Route 120, thence in a northwesterly direction, southwest of, parallel to, and 300 feet distant from the southwest line of said unnamed Road to the center of Waters Road, Md. Route 120, thence in a westerly direction at right angles to said Waters Road, Md. Route 120, to a point 300 feet west of the west line of said Waters Road, Md. Route 120, thence in a generally northeasterly direction, northwest of, parallel to and 300 feet distant from the northwest line of Waters Road, Md. Route 120 to the center of the Gaithersburg-Clarksburg Road, Md. Route 355, thence in an easterly direction at right angles to said Gaithersburg-Clarksburg Road, Md. Route 355, to a point 300 feet east of the east line of said Gaithersburg-Clarksburg Road, Md. Route 355, thence in a southerly direction, east of, parallel to and 300 feet distant from the east line of Gaithersburg-Clarksburg Road, Md. Route 355, to a point 300 feet northwest of and at right angles to the northwest line of Cedar Grove Road, Md. Route 27, thence in a northerly direction, west of, parallel to and 300 feet distant from the west line of the Cedar Grove Road, Md. Route 27, to a point southwest of, at right angles to and 300 feet distant from the southwest line of the Kings Valley Road, also known as the Kingstead Road, and being also a point on the existing boundary of the Washington Suburban Sanitary Commission Rural Water Area, thence in a generally southeasterly and southerly direction with and along the existing boundary of the Washington Suburban Sanitary Commission Rural Water Area to the existing boundary of the Washington Suburban Sanitary District, thence in a generally southwesterly direction with and along the existing boundary of the Washington Suburban Sanitary District to the point of beginning.

SEC. 2. *And be it further enacted,* That the jurisdiction of the Washington Suburban Sanitary Commission is hereby extended to include the areas above described and said areas shall be subject to all the rules and regulations of the Commission and all provisions of law relating to the Washington Suburban Sanitary District, including taxes and other sums or charges levied by the said Commission in the Sanitary District, except that the Commission shall not levy any ad valorem tax or front foot benefit assessment within the
