

this State for not less than two years after leaving the Peabody Institute. The scholarships provided for in this section shall be awarded only after competitive examinations supervised by the boards of education of the counties in which the applicant lives, or by the Board of School Commissioners of Baltimore City, if the applicant is a resident of Baltimore City. The form and contents of such examinations shall be specified by and the examinations shall be prepared and graded by the appropriate authorities of the Peabody Institute of the City of Baltimore. A list of names of the applicants receiving the highest grades on the aforesaid examinations from each of the senatorial districts in this State and from each of the wards in Baltimore City shall be certified to the State Senators in whose senatorial districts such applicants reside. Such lists shall show the grades received by each applicant. The State Senators shall award the scholarships from the applicants appearing on such lists, provided, however, that the scholarships for [the third senatorial district of Baltimore City,] Baltimore County and Caroline County shall be awarded by the appropriate authorities of the Peabody Institute from the lists of applicants from such counties who have passed the aforesaid examinations, and the scholarships for Harford County shall be awarded by the County Board of Education of Harford County from the list of applicants from that county who have passed the aforesaid examinations. In making the appointments to fill the scholarships provided for by this section, the State Senator or other appointing agents, as the case may be, shall take into consideration the financial condition of the applicant, or his parents, or his guardians, and no applicant shall be awarded a scholarship hereunder if he or his parents or guardians are able to pay the cost of the tuition, board and room at the Peabody Institute of the City of Baltimore.

268.

The University of Maryland shall educate in its undergraduate departments at College Park, free of charge for tuition, three students from each legislative district in Baltimore City and three from each county of the State; and these students shall be appointed by the State Senators of the respective legislative districts and counties. Undergraduate students in the School of Pharmacy, the School of Nursing and in the physical therapy major in the School of Medicine, all in the Baltimore schools of the University, shall be considered as being in undergraduate departments at College Park for the purposes of this section and shall be eligible for scholarships on the same basis as students at College Park. The University of Maryland, further, shall educate, free of charge for tuition, at its State College at Princess Anne, one student from each legislative district of Baltimore City and one from each county of the State; and these students shall likewise be appointed by the State Senators of the respective legislative districts and counties. The University of Maryland shall, further educate in its undergraduate departments at College Park, free of charge for tuition, from each of the legislative districts of Baltimore City and from each of the counties a number of students equal to the number of representatives of the respective legislative districts and counties in the House of Delegates; and these students shall be appointed one each by each member of the House of Delegates. Appointment by Senators and Delegates shall be made on any basis the Senators and Delegates may elect, provided that each student so appointed shall first show financial need and
