

elected to each of the two houses of the General Assembly, the same shall take effect from the date of its passage.

Approved April 8, 1965.

CHAPTER 370
(House Bill 1202)

AN ACT to repeal and re-enact, with amendments, Section 216A (b) of the Code of Public Local Laws of Harford County (1957 Edition, being Article 13 of the Code of Public Local Laws of Maryland), title "Harford County," subtitle "County Commissioners," as added by Chapter 220 of the Acts of 1959, to require the Harford County Capital Improvements Commission to review and report on plans, drawings and specifications for any public school or community college constructed or improved in the county.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That Section 216A (b) of the Code of Public Local Laws of Harford County (1957 Edition, being Article 13 of the Code of Public Local Laws of Maryland), title "Harford County," subtitle "County Commissioners," as added by Chapter 220 of the Acts of 1959, be and it is hereby repealed and re-enacted, with amendments, to read as follows:

216A.

(b) The duties of the Harford County Capital Improvement Commission shall be as follows:

(1) To assist the County Commissioners, at their request, in the development of capital improvement and maintenance programs so that the governmental services for which the County Commissioners are responsible may be properly rendered to the public in buildings efficiently designed and constructed for such purposes.

(2) To give the County Commissioners and the Harford County Planning and Zoning Commission technical advice and counsel, at their request, upon the location and construction of public buildings and improvements.

(3) To review preliminary plans of proposed capital improvements of all county agencies and to advise the County Commissioners both upon the functional efficiency of said plans and upon the possibility of achieving the objective of sound construction at the lowest cost consistent with good public policy.

(4) *To review plans, drawings and specifications for any public school or community college constructed or improved in the county, and to submit in writing its report and recommendations to the County Commissioners and to the Board of Education prior to the time any funds are expended for construction of any public school or community college or capital improvements thereto.*
