

incident to a political campaign for nomination or election to public office of any candidate or candidates of any political party which polled 10% or more of the entire vote cast in the State in the last preceding general election; application for such use for partisan political meetings and political campaigning programs may be made by any candidate of such political party or the chairman of the State or local central committee of such party. A reasonable charge for heating, lighting and janitor service for use of such facilities may be made.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1965.

Approved March 11, 1965.

CHAPTER 59

(Senate Bill 60)

AN ACT to repeal and re-enact, with amendments, Section 220(b) of Article 77 of the Annotated Code of Maryland (1964 Supplement), title "Public Education", sub-title "Chapter 20. Source and Distribution of Income", correcting an error in the laws relating to payments of public school monies to be made to the several counties and Baltimore City.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 220(b) of Article 77 of the Annotated Code of Maryland (1964 Supplement), title "Public Education", sub-title "Chapter 20. Source and Distribution of Income", be and it is hereby repealed and re-enacted, with amendments, to read as follows:

220(b).

For the school year 1964-65 and thereafter, the board of education of each county and the mayor and city council of Baltimore shall be entitled to, and shall be paid, each year in the manner and subject to the limitations hereinafter provided, an amount to be known as "State share of current expenses" which shall be calculated as follows for each county and Baltimore City.

(1) Current Expense Cost To Be Shared. The State shall share in an adjusted expenditure for current expenses of \$340 multiplied by the number of pupils enrolled on September 30 of each year.

(2) Adjustment for Increased Enrollment. An amount shall be added to the product of (1) equal to \$30.00 multiplied by an increase in enrollment above September 30 of the preceding year.

(3) Adjustment for Prescribed Salaries and Staffing Level. The total amount of prescribed salaries for each subdivision, as required in Sections 106, 148, and 159 shall be calculated for all employed professional staff members allowed under Section 159(c). Any positive difference between this amount and the product of 45 staff members per 1,000 pupils enrolled, multiplied by \$6,200, shall be added to the product of current expense cost calculated under paragraph (1) above for that subdivision and any negative difference shall be subtracted.
