

raised in any one year for interest and principal payments on outstanding bonds, and the balance then remaining to be raised shall be the amount to be certified to the County Commissioners of St. Mary's County for collection by taxation as provided by Section [6] 180.

193.

Any employee or agent of the Commission shall have the right of entry, at all reasonable hours, upon any private premises and into any building, in such sanitary district, while in pursuit of his official duties, upon first presenting proper credentials from the Commission, and any restraint or hindrance offered to such entry by any owner or tenant, or agent of said owner or tenant, or any other person, shall be a misdemeanor punishable under Section [21] 195 of this sub-title.

194.

All individuals, firms or corporations having buildings, conduits, pipes, tracks, poles or other structures or obstructions in, on, over, under or through any public road, street or alley of any sanitary district, or any portion of St. Mary's County outside of any sanitary district, which shall block or impede the construction and establishment of the Commission's water supply, sewerage or drainage systems, or other works, shall upon reasonable notice from the Commission, promptly so shift, adjust, accommodate or remove such structures or obstructions as to fully meet the exigencies occasioning such action; provided, however, that the costs of such changes shall be borne and paid for by the Commission. Every public service corporation, company or individual before it or they shall begin any excavation or construction in any street, road, alley or public highway within any sanitary district shall file with the Commission plans of such work and construction showing the location and depth in such street, road, alley or public highway, of the proposed main, conduit, pole, pipe or other structure, and such construction or work shall not be begun until said plan shall have been approved by the Commission, nor shall any change be made in said approved plan or in the work or construction as shown upon said except on further approval of the Commission. Whenever any main, conduit, pole, pipe or other structure is put in without the filing of plans with the Commission and the approval thereof by it, or when any change is made in the location of such main, conduit, pipe, pole or other structure as shown upon the plans approved by the Commission, or any approved change therein, the Commission may, if and when such conduit, main, pipe or pole, or other structure, interferes with the construction of or operation of its water or sewerage system, or other works, remove such conduit, main, pipe, pole or other structures or change the location thereof at the cost and expense of the party so putting them in, or their heirs, assigns or successors, and without any liability upon the part of the Commission for damage that might be done to the same by reason of the Commission's operations in constructing or maintaining its systems or works. Any violation of the provisions of this section shall be a misdemeanor punishable under Section [21] 195 of this sub-title.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1965.

Approved March 11, 1965.
