## TITLES AND MESSAGES

for the

### BILLS VETOED

by the

**Governor of Maryland**

following the

**1966 Regular Session**

of the

**General Assembly of Maryland**

#### NOTE

Thirty-eight bills were vetoed by the Governor of Maryland following the 1966 regular session of the General Assembly. Seventeen of the vetoed bills originated in the Senate, and 21 were House Bills.

In addition, there was an item veto applied in Senate Bill 2, the bond construction bill, under the item veto power for such bills which is covered in Section 17 of Article 2 of the Constitution of Maryland.

Following other provisions in the same section of the Constitution, all the vetoed bills (as well as the vetoed item in Section 2) must be referred to the House in which they originated immediately after the House shall have organized at the next regular or special session of the General Assembly, for reconsideration. However, and this provision prevails in 1966 unless a special session is called, no vetoed bill is to be returned to the legislature when a new General Assembly has been elected and sworn after the passage of the vetoed bill.

If the General Assembly does vote on vetoed bills, a three-fifths vote of the members elected to each House is required to enact a bill (or item) over the veto of the Governor.
