

rules and regulations for licensing and must give assurances [to the Commission] of its ability to provide general hospital services.

568D. Procedural details in studying adequacy of hospital facilities.

In studying and considering the adequacy of hospital facilities for the State of Maryland and for particular areas herein, these procedural details shall be followed:

Each hospital which applies for a loan under the provisions of this subheading shall submit complete data describing the facilities for which application is made, the need for these facilities, and the potential area to be served by them. Such information then shall be considered by the [Commission] Department in relation to the relevant facilities and plans of other hospitals in the State and in that particular area.

SEC. 4. *And be it further enacted*, That this Act shall take effect July 1, 1968.

Approved May 7, 1968.
