

JOINT RESOLUTIONS

No. 1

(Senate Joint Resolution 3)

Senate Joint Resolution requesting the State Department of Health to develop reciprocal agreements with the District of Columbia Department of Health concerning the inspection and certification of suppliers of milk.

WHEREAS, Certain milk producers and suppliers in Maryland are not permitted to supply milk in the District of Columbia; and

WHEREAS, These milk producers meet the standards prescribed by the Maryland Department of Health for the sale of milk in Maryland; and

WHEREAS, These same milk producers are certified by the U. S. Department of Health, Education and Welfare and currently supply milk on U. S. Government reservations in the District of Columbia and elsewhere; and

WHEREAS, District of Columbia Suppliers are allowed to sell milk in Maryland if certified by the District of Columbia Department of Health but the same courtesy is not extended the Maryland Suppliers Certified by the Maryland Department of Health; now therefore, be it

Resolved, That the Maryland Department of Health initiate talks with the District of Columbia Department of Health to accomplish a uniformity of standards and arrive at a reciprocity arrangement for inspection and certification so that qualified Maryland Milk producers and suppliers are not denied the privilege of competing in other markets, and be it further

Resolved, That copies of this resolution be sent to the Governor of Maryland, the District of Columbia Commissioners, the Commissioner of Health of the State of Maryland, and the Maryland delegation to the United States Senate and House of Representatives.

Approved March 22, 1968.

No. 2

(Senate Joint Resolution 9)

Senate Joint Resolution requesting the Maryland delegation in Congress to work for the passage of H.R. 12603 which would establish a National Visitors' Center in Washington, D. C., and upon the
