

JOINT RESOLUTIONS

No. 13

(Senate Joint Resolution 58)

Senate Joint Resolution commending C. Milton Wright upon the publication of a history of Harford County entitled "Our Harford Heritage."

C. Milton Wright, a distinguished citizen of Harford County, has recently written a history of Harford County which is entitled "Our Harford Heritage".

Mr. Wright has had an unusually active life of public service in Harford County, occupying roles over the years as school teacher, Superintendent of Schools, Boy Scout leader, probation officer and library trustee, in addition to countless other positions in civic projects in the County.

During his long participation in public service in Harford County, he has assembled a large volume of facts and information on the county's history, which he has recently incorporated into book form and published as "Our Harford Heritage".

The General Assembly is pleased and proud to publicly recognize this latest act of public service by C. Milton Wright for the people of Harford County; now, therefore, be it

Resolved by the General Assembly of Maryland, That we commend C. Milton Wright of Harford County upon the publication of his history of Harford County entitled "Our Harford Heritage"; and be it further

Resolved, That a copy of this Resolution is sent to C. Milton Wright.

Approved April 10, 1968.

No. 14

(Senate Joint Resolution 59)

Senate Joint Resolution requesting the Planning Commissions of the various counties to review the Montgomery County program for sediment control to determine the desirability of making such requirements effective in the counties.

WHEREAS, The problems of soil erosion at construction projects in subdivisions creates a serious form of stream pollution; and

WHEREAS, For the purpose of combating this problem, the County Council of Montgomery County on June 29, 1965, adopted a Montgomery County Sediment Control Program with the cooperation of the Montgomery County Soil Conservation District; and

WHEREAS, The salient features of the Montgomery County plan are as follows:

1. The approval of preliminary subdivision plans, or extensions of previously approved plans, is conditioned upon the execution by
