

the Annotated Code of Maryland (1965 Replacement Volume and 1967 Supplement), title "Professional Engineer and Land Surveyors," to follow immediately after Section 19 thereof, and to read as follows:

20.

(a) *The practice of or offer to practice engineering or land surveying for others as defined in Section 2 by individual engineers or land surveyors registered under this article through a corporation as officers, employees or agents, or through a partnership as partners, officers, employees, or agents, or the offering or rendering of engineering and land surveying services by a corporation or partnership through individual engineers or land surveyors registered under this article is permitted, subject to the provisions of this article; provided that (1) one or more of the corporate officers in the case of a corporation, or one or more of the partners in the case of a partnership, is designated as being responsible for the engineering or land surveying activities and engineering or land surveying decisions of said corporation or partnership and is a professional engineer or professional land surveyor under this article; (2) all personnel of said corporation or partnership who act in its behalf as professional engineers or professional land surveyors are registered under this article, or are persons lawfully practicing under Section 17; and (3) said corporation or partnership has been issued a certificate of authorization by the Board, as hereinafter provided. The requirements of this article shall not prevent a corporation and its employees from performing engineering or land surveying services for said corporation or subsidiary or affiliated corporations. All final drawings, specifications, plans, reports or other papers or documents involving the practice of engineering or land surveying as defined in this article when issued, or filed for public record, shall be dated, and bear the signature and seal of the professional engineer or professional land surveyor who prepared or approved them. **THE REQUIREMENTS OF THIS ARTICLE SHALL NOT PREVENT A CORPORATION AND ITS EMPLOYEES FROM PERFORMING, ENGINEERING OR LAND SURVEYING SERVICES FOR SAID CORPORATION OR SUBSIDIARY OR AFFILIATED CORPORATIONS.***

(b) *A corporation or partnership desiring a certificate of authorization shall file with the Board an application, using a form provided by the Board, listing relevant information, including the names and addresses of all officers and board members of the corporation, or officers and partners of the partnership, and also of an individual or individuals duly registered to practice engineering or land surveying in this State who shall be in responsible charge of the practice of engineering or land surveying in this State through said corporation or partnership, and other information required by the Board accompanied by an original authorization fee to be determined by the Board. A form, giving the same information, must accompany the annual renewal fee to be determined by the Board. In the event there shall be a change in any of these persons during the year, such change shall be designated on the same form and filed with the Board within thirty (30) days after the effective date of said change. If all of the requirements of this section are met, the Board shall issue a certificate of authorization to such corporation or partnership, and such corporation or partnership shall be*
