

## No. 14

(Senate Joint Resolution 57)

Senate Joint Resolution requesting the Governor to appoint a Commission to study and make recommendations relating to the school pupil transportation system.

WHEREAS, The modern day pupil no longer lives in close proximity to his school; and

WHEREAS, It has become necessary to provide transportation for a great majority of the school students; and

WHEREAS, A controversy exists as to the best and most economical approach to the problem of school pupil transportation; now, therefore, be it

*Resolved by the General Assembly of Maryland*, That the Governor be requested to appoint a Commission to study the problems relating to school pupil transportation; and be it further

*Resolved*, That the appointments to said Commission include representatives from the Senate of Maryland, the House of Delegates of Maryland, the State Department of Education, the Maryland School Bus Contractors Association, Inc., the Eastern Shore of Maryland, and the Western Shore of Maryland; and be it further

*Resolved*, That said Commission report its findings to the Legislative Council by November 1, 1969, and that such report shall include recommendations concerning the necessary costs of such transportation, and whether said transportation can best be provided by public ownership of buses or by private contractors; and be it further

*Resolved*, That copies of this Joint Resolution be sent to Governor Marvin Mandel, Senator William S. James, President of the Senate of Maryland, the Honorable Thomas Hunter Lowe, Speaker of the House of Delegates, Dr. James A. Sensenbaugh, State Superintendent of Schools; and Mr. T. H. Schaefer, President of the Maryland School Bus Contractors Association, Inc.

Approved May 2, 1969.

## No. 15

(Senate Joint Resolution 58)

Senate Joint Resolution commending the Maryland Council for Higher Education and others for the Master Plan for Higher Education in Maryland and recommending that it be a guideline.

WHEREAS, The Maryland Council for Higher Education is charged with the duty of preparing programs for higher education in order that academically, administratively, and fiscally, the State's system of higher education will develop in orderly fashion, continually meeting development trends in population and changing special and technical requirements; and
