

JOINT RESOLUTIONS

No. 21

(House Joint Resolution 4)

House Joint Resolution urging the Department of Chesapeake Bay Affairs actively to seek Federal funds for the local share of shore erosion control projects.

WHEREAS, The State of Maryland is attempting to prevent shore erosion and has instituted programs to accomplish this result; and

WHEREAS, Although the actual obligations to date have been negligible, the total cost to the State could possibly amount to great sums; and

WHEREAS, There is anticipated in the planned programs some sharing of funds on a local basis; and

WHEREAS, Some areas of the State in the greatest need for construction of shore erosion control works have such a low income level that they will be unable to provide the local share of the cost of such construction; and

WHEREAS, Efforts must be made, therefore, to obtain Federal financial assistance on behalf of such areas; now, therefore, be it

Resolved by the General Assembly of Maryland, That the Department of Chesapeake Bay Affairs be urged to actively seek Federal funds for the local share of shore erosion control projects; and be it further

Resolved, That copies of this Resolution be sent to the Department of Chesapeake Bay Affairs and to the Maryland Representatives in the United States Congress.

Approved May 2, 1969.

No. 22

(House Joint Resolution 5)

House Joint Resolution requesting the Maryland Educational Television system to formulate a policy of using this system for educating its viewers as to the recreational and historical attractions of Maryland.

WHEREAS, one of the most important aspects of successful tourism promotion in a state is that the citizens of that state be aware of the many tourist attractions therein; and

WHEREAS, A television system would be the perfect vehicle to educate Maryland citizens concerning the tourist attractions in this State; now, therefore, be it

Resolved by the General Assembly of Maryland, That the Maryland Educational Television system is requested to formulate a policy of using this system for educating its viewers as to the recreational and historical attractions in Maryland; and be it further
