

(8) Dust control measures.

(9) Water pollution shall be prevented in accordance with the regulations of the ~~Maryland State Water Pollution Control Commission~~ MARYLAND STATE DEPARTMENT OF NATURAL RESOURCES.

(10) Grass or ground cover of each section as work progresses.

Section 11-408

(a) Applications for licenses to engage in solid waste disposal by sanitary landfill method shall be made to the Department of Inspections and Permits on forms provided by this Department, and will be accompanied by the following:

(1) Engineering report of proposed site survey in accordance with Section 11-406 of this Subtitle.

(2) Design and development plans and specifications in accordance with Section 11-407 of this Subtitle.

(3) A certification from Department of Public Works that it has on file a completion maintenance bond, either cash or negotiable paper, in the amount of \$500 per acre, based on the number of acres planned or intended to be employed in the sanitary landfill operations during the license period. In cases where an applicant plans to operate on leased land, legally acceptable documented assurance from the property owner must be furnished the county, to give the right of entry to the property by the County for the purpose of completion and/or maintenance of the landfill as specified in this regulation in the event of default on the part of the operator.

(4) License fee, in the amount of \$25.00.

(c) All licenses shall expire one (1) year after date of issuance.

(d) Applications for license renewals will be submitted to the Department of Inspections and Permits and will be accompanied by the following:

(1) So much of the Design and Development Plans and Specifications, and Supplementary Reports as to allow the review of the scope of operations during the forthcoming year.

(2) Additional bond in the amount of \$500 per acre to cover the acreage to be employed during the forthcoming year.

(3) License fee, in the amount of \$25.00

(e) Licenses to proceed with site preparation and operation will only be issued after the application, plans and specifications have been approved by the Department of Public Works, Office of Planning and Zoning, the Fire Marshal of Anne Arundel County, and the County Health Officer, and the Maryland State Department of Health. In addition to approval of the application, plans and specifications, the proposed site for a Sanitary Landfill must be inspected and approved by the Department of Public Works, Office of Planning and Zoning, the Fire Marshal, and the County Health Officer.

(F) NOTWITHSTANDING ANYTHING TO THE CONTRARY NEITHER ANNE ARUNDEL COUNTY NOR ANY OF ITS GOVERNMENTAL AGENCIES SHALL BE REQUIRED TO PAY THE LICEN-SEE FEE OR FURNISH THE BOND REQUIRED BY OTHER LICEN-
