

(d) Provide education and training in prevention, diagnosis, treatment, rehabilitation and control of drug addiction for medical students, physicians, nurses, social workers and others with responsibilities for drug addicts either alone or in conjunction with other agencies, public or private.

(e) Provide public education on the nature and results of drug abuse and on the potentialities of prevention and rehabilitation in order to promote public understanding, interest and support.

(f) Disseminate information relating to public and private services and facilities in the State available for the assistance of drug abusers and potential drug abusers.

(g) Gather information and maintain statistical and other records relating to drug abusers and drug abuse in the State. It shall be the duty of every physician, dentist, veterinarian or other person who is authorized to administer or professionally use those drugs enumerated in Section 2 of this article, or apothecaries, hospitals, clinics, dispensaries or persons authorized to dispense such drugs and all public officials having duties to perform with respect to such drugs or users of such drugs to report and supply such information in relation thereto as the [Authority] *Administration* shall by rule, regulation or order require.

(h) Have the power to enter into agreements and joint financial arrangements, including but not limited to agreements and arrangements with public and private agencies, to do or cause to be done that which may be necessary, desirable or proper to carry out the purposes and objectives of this article including but not limited to construction and staffing of facilities, within the amounts made available therefor by appropriations, gift, grant, devise or request.

(i) Have the power to establish and operate rehabilitation centers and such other facilities as the [Authority] *Administration* may deem necessary or desirable for the care, custody, treatment, aftercare and rehabilitation of drug addicts certified to the care and custody of the [Authority] *Administration* pursuant to the provisions of this article.

(j) Designate, or establish, maintain and operate, medical examination or other facilities for alleged drug addicts for the purpose of determining whether such persons are drug addicts and for the purpose of providing care and custody of alleged drug addicts with respect to whom court proceedings are pending.

(k) Designate or establish, approve and coordinate facilities and services within the State to offer treatment, care and rehabilitation for persons exhibiting the effects of drug abuse, and establish and develop standards, regulations, methods of treatment, and all other conditions of hospitalization and post-hospitalization to be employed.

(l) Have the power to assign or transfer any drug addict certified to its care and custody pursuant to this article to the facilities or supervision of any department or agency of the State, or to any person, association or corporation providing facilities or services approved by the [Authority] *Administration* pursuant to procedures prescribed by law and policies adopted by the [Authority] *Administration*, and agreed to by the head of the department, agency, person, association or corporation to the supervision of which
