

WHEREAS, when this project is completed, approximately 30 years from now, the new island has been estimated to be worth \$15,000 per acre as prime industrial acreage; and

WHEREAS, this project would be-foul and be-cloud the water of the Bay, and deny a recreation area to a great number of our citizens; and

WHEREAS, it would be harmful to the interests of all those using the Chesapeake Bay to have this project completed; now, therefore, be it

Resolved by the General Assembly of Maryland, That the Governor and the Board of Public Works be requested to choose an alternate site not so important to recreation in the Chesapeake Bay for the dumping of dredging spoils from Baltimore Harbor; and be it further

Resolved, That copies of this Resolution be sent to the Governor, the Board of Public Works and the Hart and Miller's Island Environmental Group, Box 7906, Essex, Maryland 21221.
