

BALTIMORE COUNTY

generating application.

ADMINISTRATIVE AUTHORITY: The Chief Plumbing Inspector of Baltimore County and his authorized agents acting under the direct supervision of the Buildings Engineer of Baltimore County.

ARTICLE II. Administration

23-4 Plumbing Board

In Baltimore County there shall be a Plumbing Board consisting of seven (7) members as follows: 3-Master Plumbers residing and certified in Baltimore County, 1-Journeyman Plumber residing and certified in Baltimore County, a practicing mechanical engineer, the remaining two members of the board shall be the Baltimore County Health Officer and the Chief Plumbing Inspector of Baltimore County who shall be the Secretary of the Board. The other members of the Board exclusive of the Baltimore County Health Officer and Chief Plumbing Inspector shall receive such compensation as prescribed by the Baltimore County Executive, to be paid from the fees for examinations and certificates. The members of the Board, other than the Chief Plumbing Inspector and Health Officer shall be appointed by the County Executive. Chairman of this Board shall be appointed by the County Executive.

The Board, subject to the approval of the County Council of Baltimore County, shall make such rules and regulations in addition to those set forth herein as are required to implement the enforcement and operation of Article III of this Title.

23-5 Code Committee

The Code Committee that assisted in the preparation of this Title shall remain as a committee for a period of two (2) years following the effective date hereof for the purpose of advising and assisting the Administrative Authority in making rules and regulations, approving materials, interpreting this Title, and making recommendations from time to time for future revision thereof. At the end of the two-year period, and at the end of each subsequent two-year period, a Code Committee shall be appointed by the Administrative Officer, subject to the approval of the County Executive for such purposes. The committee shall consist of eight persons as follows: 3-Master Plumbers certified to do business in Baltimore County, two of whom shall be members of the Plumbing Board; one registered professional engineer licensed to do business in the State of Maryland; one member of the Home Builder's Association, who is not a
