

The term "emergency vehicle" is substituted for "authorized emergency vehicle"; see §11-118 of this article.

In subsection (a) of this section, the phrase "unless otherwise directed..." is transferred to clarify its application to each of the enumerated duties, not merely that specified in item (3) of the subsection.

Subsection (b) (2) of this section is new language added to conform to the otherwise identical provisions of §21-106(d) of this title.

The only other changes are in style.

As to stopping for a school vehicle, see §21-706 of this title.

GENERAL REVISOR'S NOTE:

For specific right-of-way rules relating to alleys, driveways, and buildings, see §21-705 of this title.

As to stop signs and yield signs, see, also, §21-707 of this title.

SUBTITLE 5. PEDESTRIANS' RIGHTS AND RULES.

21-501. PEDESTRIANS SUBJECT TO TRAFFIC REGULATIONS.

A reference to §21-203 of this title, which relates to pedestrian control signals, is added for more accurate specificity. This conforms to the similar reference in the Uniform Vehicle Code counterpart to this section.

The only other changes are in style.

For additional provisions on the rights of pedestrians, see, also, §21-705 of this title.
