

RIGHT-HAND CURB OR EDGE OF THE ROADWAY.

(B) LEFT TURNS.

IF THE DRIVER OF A VEHICLE INTENDS TO TURN LEFT AT ANY INTERSECTION OR CROSSOVER, HE SHALL:

(1) APPROACH THE INTERSECTION OR CROSSOVER IN THE EXTREME LEFT-HAND LANE LAWFULLY AVAILABLE TO TRAFFIC MOVING IN THE SAME DIRECTION; AND

In subsection (b) of this section, references to turns at a "crossover" are added for clarity and in conformity with the provisions of §21-404.1 of this title.

In subsection (c) of this section, the present references to turns "required" by the traffic control device are deleted as superfluous since subsection (c) (1) clearly makes it a requirement to turn as "directed" by the device.

The only other changes are in style.
