

amend Section 82-17 of the Montgomery County Code (1972 Edition, as amended), being a part of the municipal charter of The Commissioners of Poolesville, by expressly providing that The Commissioners of Poolesville may levy a tax on all the real and personal property within the Town of Poolesville, or the corporate limits thereof, not exceeding seventy-five cents on each hundred dollars worth of assessable property and that nothing contained in Section 82-17 of such Code shall in any way effect or impair the pledge of the full faith and credit and unlimited taxing power of The Commissioners of Poolesville made under Section 82-16 of such Code or under any other law in connection with the general obligation bonds of the Town of Poolesville.

RECITALS

In order to provide for the payment in timely manner of creditors of The Commissioners of Poolesville and to manage the finances of The Commissioners of Poolesville in an orderly manner, The Commissioners of Poolesville find it necessary to authorize an increase in the rate of tax levied on all the real and personal property within the Town of Poolesville, or the corporate limits thereof.

In adopting this Resolution it is the intent of The Commissioners of Poolesville to preserve and confirm existing obligations of The Commissioners of Poolesville and accordingly The Commissioners of Poolesville desire to provide expressly in the Charter of the Town of Poolesville that nothing contained in Section 82-17 of such Charter shall in any way affect or impair the pledge of the full faith and credit and unlimited taxing power of The Commissioners of Poolesville made under Section 82-16 of such Charter or under any other law in connection with the issuance of the general obligation bonds of the Town of Poolesville.
