

(1) INTERFERE WITH ANY PERSON DOING BUSINESS FOR OR WITH THE ADMINISTRATION; OR

(2) FOR A FEE CHARGED DIRECTLY OR INDIRECTLY, SOLICIT ANY PERSON:

(I) TO ASSIST THAT PERSON IN OBTAINING A DRIVER'S LICENSE, CERTIFICATE OF TITLE, VEHICLE REGISTRATION, OR OTHER LICENSE OR DOCUMENT; OR

(II) TO FILE ANY STATEMENT FOR THAT PERSON.

REVISOR'S NOTE: This section is new language derived from Art. 66 1/2, §2-310.

In item (2) of this section, the present prohibition against "assist{ing}" or "offer{ing} to assist" others is deleted as essentially unnecessary in light of the prohibition against "solicit{ing}". As presently worded, the section literally prohibits all assistance given to others in or near Administration property, no matter where originally initiated or contracted for; given such a broad reading, this would prohibit even permitted activities contracted for elsewhere, such as those undertaken by dealers for their customers, title service agents for their clients, or lawyers and others for their clients. The Commission believes that the retained prohibition against solicitation of business in or near Administration property adequately covers the intent of the present section and avoids a result apparently never intended by the General Assembly.

Also in item (2), the present additional statement that a person may not "engage ... in such business or occupation for gain" is deleted as redundant of the broad prohibition already contained in item (2).

The only other changes are in style.
