

SUBJECT TO A FINE NOT EXCEEDING \$50.

(2) ANY PERSON WHO USES A VEHICLE REGISTERED UNDER THIS SECTION IN ANY WAY PROHIBITED BY THIS SECTION IS GUILTY OF A MISDEMEANOR AND ON CONVICTION IS SUBJECT TO A FINE NOT EXCEEDING \$10.

(3) ON A SECOND OR SUBSEQUENT CONVICTION OF ANY PERSON FOR A VIOLATION OF ANY PROVISION OF THIS SUBSECTION, THE ADMINISTRATION SHALL REVOKE THE REGISTRATION AND THE RIGHT OF FURTHER REGISTRATION OF THAT VEHICLE AS A FARM TRUCK FOR A PERIOD OF 1 YEAR.

REVISOR'S NOTE: This section is new language derived without substantive change from Art. 66 1/2, §3-806 (e) and (f).

The present definitions of "farmer" and "farm products" are deleted as unnecessary in light of the definitions of these terms in §13-911 of this subtitle; the second to last sentence of present §3-806(e) also is deleted as unnecessary in light of the definition of "farm vehicle" in §13-911 to the same effect.

As to subsection (e) of this section, its provisions are somewhat of an anomaly. Paragraph (1) of the subsection establishes a maximum fine of \$50 for any misrepresentation in obtaining a registration under this section. The same act already is prohibited by §13-704 of this title and, under §27-101(b) of this article, would be subject to the standard fine of up to \$500. Thus, this paragraph sets out a penalty that is considerably lower than that applicable to all other registrations, including the other special farm vehicle registration provisions of this subtitle (cf., §§ 13-924, 13-925, 13-929, and 13-935 of this subtitle, which do not have a counterpart to this subsection (e)).

Similarly, paragraph (2) of subsection (e) provides for a maximum penalty of a \$10-fine for violation of the prohibitions of subsection (d). On the other hand, a violation of the like prohibitions in the other special farm vehicle registration sections of this subtitle would subject a person to the standard penalty of \$500.

Finally, paragraph (3) sets forth a penalty that already is covered by §13-705(a) (1) of this title, except that this paragraph requires the revocation of the registration; in all other instances, including those governing other farm vehicles, the
